In accordance with good data protection policy, the passwords throughout our IT system changed on **31 January**.

- 1. Members Only Area** - the password used to access the church directory and other protected documents on our website changed around midnight on **31 January**. The username is members@rwbmc.co.uk (not your personal email address). Please contact us at website@rwbmc.co.uk and we will provide details of the new password, preferably by text message. Alternatively, see Stephen or Mary at church.
- 2.** If you use an **RWBMC email address**, as an office holder or contact person, this password change will only affect those who access the accounts directly; most users will not be affected. The new password was sent by text message to those affected on **31 January** or you can email us at website@rwbmc.co.uk
- 3. The wi-fi password** which is used within the church office also changed on or around **31 January**. You will be notified by text message or you can email us. Please note that the church wi-fi must only be accessed by authorised users.
